Construction Notification #19

Continued Construction in 2012

December 2011

Construction of the BART Oakland Airport Connector (OAC) began in March 2011 in various locations near the Coliseum/Oakland Airport BART Station, along Hegenberger Road and Doolittle Drive, and at Oakland International Airport. In 2012 construction activities will continue and new components of the project will begin. OAC is scheduled to open for service in May 2014.

General work hours are 7 am to 7 pm Monday through Saturday. **However, some work will be performed at night between 9 pm and 5 am Sunday through Saturday.**

This chart outlines start dates and estimated durations for upcoming and ongoing construction activities along the alignment:

Future OAC Coliseum Station (across San Leandro St. from the Coliseum/Oakland Airport BART Station)		
Construction Activities	Start Date	Estimated Duration
Coliseum Station Construction	Ongoing	December 2012
Hegenberger Rd. between I-880 and San Leandro St.		
Construction Activities	Start Date	Estimated Duration
Hegenberger Road Reconfiguration	January 2012	May 2012
Guideway Foundation Construction	February 2012	June 2012
Hegenberger Rd. between Airport Access Rd./Pardee Dr. and I-880		
Construction Activities	Start Date	Estimated Duration
Maintenance and Storage Facility Construction	Ongoing	December 2013
Guideway Foundation Construction	Ongoing	April 2012
Doolittle Dr.		
Construction Activities	Start Date	Estimated Duration
Utility Relocation	Ongoing	February 2012
Tunnel Construction	Ongoing	August 2012
Note: All dates are subject to change.		

Noise, dust and vibration levels will be monitored and all efforts will be taken to minimize these and other disruptions to the community. Please watch for notices regarding future construction activities and signs with safety information. We appreciate your patience and cooperation during this work.
